

# A Student's Testimony

“It was breath-taking! It was everything that I expected and more. I had the privilege of spending those five weeks with the most wonderful roommates in a small cabin. The three of us enjoyed walking early in the morning to the cafeteria together for breakfast, going to chapel, and studying for tests and the final exam in the mansion’s beautiful historic library.

I met so many wonderful people from all over the world, all of whom were extremely kind, supportive, and welcoming. The staff also made this first time away from home special ... It was truly an amazing experience.

“To describe the childbirth education and doula course in more detail, all I can say is, it was AN EXPERIENCE OF A LIFETIME! I am so thankful to have learned this important part of women’s healthcare through the aspects of the Bible and the Spirit of Prophecy. ...

The lectures were interesting and engaging, but never sacrificed the principles that we all hold dear. Overall, I have learned so much and have already been able to use my knowledge to serve my sisters.”

## Childbirth Education

Doula Certification

 **Hartland**  
COLLEGE

*Educating for Eternity, Serving Today!*

## Course Description

The program certifies young ladies as childbirth educators (CEs) and/or doulas. This comprehensive course, taught from a Christian perspective, covers the aspects of pregnancy, labor, and postpartum.

Topics range from pregnancy nutrition and fitness, labor techniques and newborn care, to postpartum adjustment and much more.

The course aims to prepare the student not just to teach, but to design her own childbirth education classes, along with developing essential skills necessary to become a professional doula.

This course material could also prove invaluable to the medical missionary who finds herself in an emergency childbirth situation.

## Our Program

- 4-week course starting May 6, 2019
- Hands-on training
- Christian-based curriculum
- Designed for the medical missionary, teacher, childbirth entrepreneur, and expectant mothers
- Registration ends April 6, 2019. Late fee applies after registration end date.
